

Great Waltham Parish Council

Clerk, I P Bradley, The Parish Office, The Old Fire Station, South Street, Great Waltham, Essex CM3 1DF Telephone 01245 362638.

E Mail: gtwalthampc@btinternet.com Website: www.greatwaltham.org.uk

1st March 2011.

To All Parish Organisations

Dear Chairman/Secretary/ Organisation Representative/Parishioner

Re: Inspiring Ideas to improve Essex Communities.

Firstly please forgive the informality of address as the letter is being sent to as wider section of the community as possible.

These days, there is a great deal of encouragement for residents, local groups, organisations, and communities to play an active role in shaping the area where they live and to promote ideas on how improvement of the local area can be made.

The paperwork attached to this email gives further information about this initiative from Essex County Council and Chelmsford Borough Council.

Great Waltham Parish Council has always tried to remain at the forefront by being a progressive Council seeking to improve the local area. The Parish Council wishes the news of this latest initiative to be spread widely amongst the community and for ideas to be encouraged to further improve our local area.

The Parish Council asks that any ideas forthcoming should be sent to the email address in the correspondence but wherever possible please send a copy to the Parish Council (see contact details above) so that if appropriate the Parish Council can support or promote a scheme or idea put forward.

Yours sincerely,

Peter Bradley

I P Bradley, Clerk, Great Waltham Parish Council
